

# Access to SPEECH AND LANGUAGE THERAPY for pre-school (0-4yrs) children

## Are you worried about your Child's talking or understanding?

If you are, please contact our Speech and Language Therapy service where a Speech and Language Therapist will be able to talk to you and provide advice to support your child's needs.

Please complete an online referral form via our website at:

<https://www.cnwl.nhs.uk/services/community-services/milton-keynes-childrens-speech-and-language-therapy-services/milton-keynes-early-years-speech-and-language-therapy-team>.

Please call **01908 725299** for any queries or support.

## WHAT TO EXPECT

When a Therapist has reviewed your referral, you will receive a text message to note if your referral has been accepted and requesting you to contact to book a telephone or video screening assessment appointment.

A Speech and Language Therapist will contact you on the agreed date and time to:

- Listen to you and discuss your concerns
- Ask questions to assess the needs of your child
- Observe your child in play (via pre-sent videos or video link)
- Talk with you about ideas to help your child

## AFTER THIS, THE SPEECH AND LANGUAGE THERAPIST:

- May ask for videos to be sent or to call you via video link.
- May offer a further appointment
- May suggest that you contact her after a time to let her know how your child is doing.
